

# Male Uniform Fittings

## *PLEASE READ THIS LETTER CAREFULLY!*

Greetings, and welcome to High School Choir 2018-19! Summer may still be in full swing, but in order to be ready for the start of the school year, it's time to start thinking about choir uniforms. **All HS Choir students will be fitted for their required uniform: tuxedo jacket, pants, tie, tux shirt, and studs/cufflinks.**

Each Student **MUST** be measured **BEFORE** school begins- Mr. Carmichael has made uniforms a 100 point assignment. **ALL Choir students are expected to be in full uniform for the Choir Pictures.** (Pictures are another 100 point assignment). Don't panic though, here are the steps to getting all of the points!

1. All students must take a few minutes to go to Bunny Tuxedo and get their measurements done prior to the first day of school. Take THIS SHEET with you to get your measurements, and bring it to school on the first day! This is a 50 pt. assignment. **Fittings are during your choir hour on August 22nd.**
2. If this is your first year in choir, a \$50 payment is due at the time of fitting. Checks can be made payable to "Jenison Choir Boosters."
3. If you are a returning member, a \$20 payment is due at the time of fitting.
  - a. **Try on your white shirt to see if it still fits from last year.** If you need a new white shirt please let the fitters know on fitting day.
4. Please be considerate to the volunteers on fitting day. They are learning and helping us, and we really appreciate their help!
5. If you are also in band or orchestra, **you will use your choir tux throughout the year.**

### ***Other considerations for uniforms:***

-Students must provide their own black dress socks and shoes (NO athletic socks allowed).

-Students must have a garment bag to store their tux in and transport it back and forth to school. These can be purchased at most stores and do not need to be expensive!

**-NO material may be cut off from the tux jacket or pants. PLEASE NOTE: Tuxes are DRY CLEAN only – Do not attempt to wash them, as washing them makes them unusable. If returned unusable, students will pay a \$300 replacement fee.**

**-Return Procedure/policies:** At the end of the year, tuxedo suits (pants/jacket/vest/ties) are turned in after the Spring Concert. **Uniforms NOT RETURNED ARE SUBJECT TO A \$300 REPLACEMENT FEE.**
